aprox. 227 x 107 mm / 8.93 x 4.21 in

**Metal Round Nozzle
for FAE** 1 unit
Ref. FAE083
aprox. \varnothing 50 mm / \varnothing 1.97 in

Manual 1 unit
Ref. 0020192

Nozzle Replacement

The bayonet system makes it easy to change the nozzle.

To do this, hold the tube with one hand and with the other turn the nozzle counter-clockwise and pull it out to remove the nozzle.

To install a new nozzle, align the bayonet, insert the new nozzle, and turn the nozzle clockwise to lock it in place.

The nozzles are designed in such a way that they can be used with a hanging arm or be lying on the workbench.
